

Volunteer Woodworker needed in Gateshead—Tuesdays, 10:00-2:00

Your Voice Counts are supporting people with learning disabilities and/or autism in Gateshead by connecting them with things going on in their community. This helps to develop the personal networks and resilience needed to lead a happy and healthy life.

We need someone who can volunteer for 4 hours every Tuesday to support a man at a woodworking course on Sunderland Road in Gateshead. He needs some support with things like measurements. Lunch is provided and travel expenses will be reimbursed.

Could this be you?

For more information or to apply, please contact Danielle Falcus on 0191 4786472 or volunteers@yvc.org.uk
